A concise summary of the very best advice written by the experts on infant sleep. Mothers of newborn babies often do not have the time to brush their teeth much less read through the 300 pages of the average infant novel. Read these 60 odd pages (in under one hour) and get all the straightforward information you need to start sleeping better right away! Newborn babies are very simple to understand if you know what is really important: Eating and Sleeping. Forget Teething, Colic, and Gas. All of these Old Wives Tales will just confuse a new mother. Focus on eating and sleeping as this book suggests and you will have a happy baby (and family) in no time. This short book contains advice that has been proven to work through scientific research on thousands of babies. Read this book today and get on the fast road to getting more rest!
