*****.Can what you wear really change your life? As I listened to

Meg, a successful author, telling the following story on a

creative writing course recently, it dawned on me that maybe it

could. Later, when I looked at the psychological evidence and

did my own research, as a university professor and lover of

clothes, I became convinced of the huge, transformational

power of clothing. Starting a fashion business is possible and

with the right know how, problem solving skills and a true

desire to create a brand that has value it can be done by

anyone. Follow your instinct, make your decisions and stay

focused. I believe in working smart and not hard. This road

map will help you avoid major mistakes that many fashion

start-ups run into. It will guide you through the storm and help

you break down the collection development process step-by-

step. If this guide can help you make smarter decisions, choose

the right people to work with or at the very least save you

money, then it has succeeded in...
