Times Group Books, New Delhi, India, 2015. Softcover. Book Condition: New. First Edition. At 35, business woman-turned food critic-cum-book reviewer. Kiki Chawla is in complete control of her life the weight issues and hunger pangs notwithstanding. Kiki's upscale yet mundane Dubai life revolves around her regular newspaper columns, routine coffee shop outings, weekend lunches with her mother and the occasional catch-up with the girl gang. This billionaire heiress zips by in her yellow Porsche, gifts herself emerald cut diamonds and much to the bewilderment of the society ladies, constantly contemplates moving into the 6,500 square-foot party pad she's bought in Dubai's most exclusive building. Her luxurious living apart, Kiki has yet another preoccupation that has all the women hooked her blog, where her 'inner voice' Kitty raves, rants and reigns supreme. Despite having everything going for her, the singleton is left utterly confused around men and matters of the heart. When her boringly predictable life is thrown off balance owing to a series of events that unfold over the course of a week, Kiki knows it means trouble. With potential love interests clouding her thoughts and her life - all at the same time, trepidation takes over. And Kiki looks for solace in everything from comfort food to voodoo lady. But does the ever-elusive 'true, blissful love' finally happen to Kiki? Read on to find out. Printed Pages: 176.
