BRAND NEW, *Becoming an Effective Mentoring Leader: Proven Strategies for Building Excellence in Your Organization*, Peter Chee, William J. Rothwell, This title helps you turn mentoring into Profits. There's no doubt that the concept of workplace mentoring is a hot-button issue facing management today. With managers under extraordinary pressure to cut costs, streamline operations, and increase productivity, the role of mentors has become more critical than ever-particularly since studies show leaders who mentor get promoted faster and earn significantly more than those who don't. But as with any growing workplace trend, questions remain about how to utilize mentoring so you get tangible and profitable results. Using case studies, tools, and impactful learning concepts, the authors show you how to use mentoring's "core skills" to create a winning approach tailored to your own style, be it the "reflective mentor," the "storytelling mentor," or "the example-based mentor." The book also features several appendices and FAQs, handouts, and worksheets to gauge competencies among mentors and mentees, and a blueprint with steps to set up one's own companywide program. As today's biggest industry leaders continue to recognize the profound effect mentoring has on performance and profitability, there's never been a better time to put...
