

Advanced Theory and Practice in Sport Marketing (Hardback)

By Eric C. Schwarz, Jason D. Hunter, Alan Lafleur

Taylor Francis Ltd, United Kingdom, 2012. Hardback. Book Condition: New. 2nd Revised edition. 248 x 170 mm. Language: English . Brand New Book. Effective marketing is essential for any successful sport organization, from elite professional sports teams to local amateur leagues. Now in a fully revised and updated second edition, *Advanced Theory and Practice in Sport Marketing* is still the only text to introduce key theory and best practice at an advanced level. The book covers every key functional and theoretical area of sport marketing, including marketing research, information systems, consumer behavior, logistics, retail management, sales management, e-commerce, promotions, advertising, sponsorship, and international business. This new edition includes expanded coverage of important contemporary issues, including social responsibility and ethics, social media and networking, relationship and experience marketing, recovery marketing, and social marketing. Every chapter contains extended cases and first-hand accounts from experienced sport marketing professionals from around the world. Following those cases are questions encouraging students and practitioners to apply their theoretical knowledge to real-world situations and to develop their critical thinking skills, while each chapter also includes helpful features such as definitions of key terms, summaries, and guides to further reading. A companion website includes an impressive array of...
