It gives one an idea of the struggles of people in their lives here on earth under conditions that are categorized as sinful, as you have read of such the case in book 1 and 2. In these stories, you will find the author describing certain realities that people also face and have a conclusion of the myth or abnormal life of such as the chapters involved in this book tell. This is part of a trilogy, the third series of the TROGS (The Reich of God Sins.)
