## New Right Discourse on Race and Sexuality: Britain, 1968-1990

By Professor Anna Marie Smith

CAMBRIDGE UNIVERSITY PRESS, United Kingdom, 2004. Paperback. Book Condition: New. 212 x 134 mm. Language: English . Brand New Book. The first book in the Cultural Margins series is a 1994 study of racism and homophobia in British politics, which demonstrates the demonisation of blacks, lesbians, and gays in New Right discourse. Anna Marie Smith develops theoretical insights from literary and cultural critics, including Nietzsche, Foucault, Derrida, Hall, and Gilroy, to produce detailed readings of two key moments in New Right discourse: the speeches of Enoch Powell on black immigration (1968-72) and the legislative campaign of the late 1980s to prohibit the promotion of homosexuality. Her analysis challenges the silence on racism and homophobia in previous studies of Thatcherism and the New Right, and shows how demonisation of lesbians and gays depends on previous demonisations of black immigrant and criminal figures. Overall, this book offers a devastating critique of racism and homophobia in late twentieth-century Britain.
