### ***Reviews***

*An extremely wonderful pdf with lucid and perfect explanations. I could possibly comprehend every little thing out of this created e pdf. Once you begin to read the book, it is extremely difficult to leave it before concluding.*

*(Janie Wilkinson)*

## ETHICS AFTER EASTER

Cowley Publications,U.S., United States, 2000. Paperback. Book Condition: New. 213 x 135 mm. Language: English . Brand New Book. In this volume of The New Church s Teaching Series, Stephen Holmgren introduces us to the world of Anglican ethics and moral theology. He focuses on questions all people of faith must ask: How will I keep my baptismal promises? How am I meant to live after Easter? In developing a distinctively Anglican approach to ethics, with its emphasis on holiness, sanctification, and the need for spiritual disciplines, Holmgren identifies clear axioms for Anglican moral theology and the ethos required for moral decision-making on the part of individuals and church bodies. He explains why ethical reflection is not the same as church governance, and why the institution cannot make its moral theology. Holmgren also discusses the role of conscience and reason, the work of moral discernment, the difference between moral knowledge and saving knowledge, the meaning of natural law, and the high value Anglicans place on consensus. The final chapter provides a methodology for building a moral case in Christian ethics, specifically on Christian involvement with war and violence. As with each book in The New Church s Teaching Series, recommended resources for further reading and questions for discussion are included.
