

Paved for Success: Building Vocabulary and Language Development in Young Learners

By Claire E. Hamilton, Paula J. Schwanenflugel

Brookes Publishing Co, United States, 2011. Paperback. Book Condition: New. 278 x 214 mm. Language: English . Brand New Book. How can early childhood educators give young children a strong foundation of emergent literacy skills and a head start in social studies and science? The secrets are in PAVED for Success, a road map to school readiness for preschool and kindergarten students. Highly effective and ready to use, this proven program supplement helps early childhood educators explicitly teach vocabulary and oral language skills through lessons that introduce key social studies and science terms. Teachers will start with a complete introduction to the PAVED for Success approach, with invaluable tips, strategies, and classroom examples to help them enhance young children's emergent literacy. Then they'll get 24 engaging PAVE lesson plans that are scientifically based, evaluated in more than 300 prekindergarten and kindergarten classrooms, use proven methods to improve students' vocabulary and oral language skills: shared storybook reading, intentional conversations, and explicit vocabulary instruction consistent with National Early Literacy Panel guidelines. It fits perfectly with RTI, great for whole class, small group, or individual instruction. Easily supplement existing literacy programs and class routines. Teach children about science and social studies concepts such as magnets, outer space, transportation,...
