Wisehouse Classics, United States, 2015. Paperback. Book Condition: New. Reprod. 1884 ed.. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.THE ADVENTURES OF HUCKLEBERRY FINN is a novel by Mark Twain, first published in the United Kingdom in December 1884 and in the United States in February 1885. Commonly named among the Great American Novels, the work is among the first in major American literature to be written throughout in vernacular English, characterized by local color regionalism. It is told in the first person by Huckleberry Huck Finn, a friend of Tom Sawyer and narrator of two other Twain novels (Tom Sawyer Abroad and Tom Sawyer, Detective). It is a direct sequel to The Adventures of Tom Sawyer. The book is noted for its colorful description of people and places along the Mississippi River. Set in a Southern antebellum society that had ceased to exist about twenty years before the work was published, Adventures of Huckleberry Finn is an often scathing satire on entrenched attitudes, particularly racism. Perennially popular with readers, ADVENTURES OF HUCKLEBERRY FINN has also been the continued object of study by literary critics since its publication. It was criticized upon release because of its coarse language and became even more controversial in the 20th century because of its perceived use of racial stereotypes and because of its frequent use of the racial slur nigger, despite strong arguments that the protagonist and the tenor of the book are anti-racist.
