Brand New Book ***** Print on Demand *****.Excerpt from Annual Report of the State Board of Health of Illinois 1877 He would ask, however, that authority be granted for the publication of such sections of his quarterly report as are of public interest and in this connection the desirability of an official monthly publication by the Board is suggested. Monthly Publication - State Medicine Such publication should contain reports of the proceedings of the Board, properly edited so as to embrace only matters of public interest; a list of State certificates issued during the month, setting forth the name of the recipient, postoffice address, qualifications - as to degrees, etc., - and names and addresses of endorsers. Parenthetically it may be remarked that it is believed such publicity given to endorsers would lead to more care in furnishing letters of endorsement It should embrace extracts from the Secretary s correspondence of special interest to practitioners, students and medical colleges: to lawyers and States attorneys, concerning the enforcement of the Medical-Practice Act; to health officers and local boards of health: to teachers and other school authorities; and to the public on personal hygiene, municipal sanitation and preventive medicine. It is believed that such a publication would add greatly to the usefulness and efficiency of the Board. An estimate of cost and suggestion of title and style are herewith submitted. Transportation of the Dead - Diphtheria: At the January, 1891, meeting of the Board the Secretary, Dr. Rauch, announced that, at the recent meeting of the American Public Health Association, he had introduced a resolution looking to including diphtheria, scarlet fever, typhoid or enteric fever, measles and varicella in the list of quarantinable diseases, and his...
