

## Of Irish Descent: Origin Stories, Genealogy, and the Politics of Belonging

Filesize: 9.69 MB

### ***Reviews***

*Extremely helpful for all type of folks. It generally is not going to expense a lot of. I found out this book from my dad and i advised this book to find out.*

*(Melany Goyette)*

## OF IRISH DESCENT: ORIGIN STORIES, GENEALOGY, AND THE POLITICS OF BELONGING

Syracuse University Press. Hardback. Book Condition: new. BRAND NEW, Of Irish Descent: Origin Stories, Genealogy, and the Politics of Belonging, Catherine Nash, What does it mean to be of Irish descent? What does Irish descent stand for in Ireland? In Northern Ireland? In the United States? How are the categories of "native" and "settler" and accounts of ethnic origin being refigured through popular genealogy and population genetics?"Of Irish Descent" addresses these questions by exploring the contemporary significance of ideas of ancestral roots, origins, and connections. Moving from the intimacy of family stories and reunions to disputed state policies on noble titles and new scientific accounts and applications of genetic research, Nash traces the place of ancestry in these interconnected geographies of identity - familial, ethnic, national, and diasporic. Underlying these different practices and narratives are potent and profoundly political questions: "Who counts as Irish?," "Who belongs in Ireland?" and "To whom does Ireland belong?"Examining tensions between ideas of plurality and commonality, difference and connection that run through the culture and science of ancestral origins, "Of Irish Descent" is an original and timely exploration of new configurations of nation and diaspora as communities of shared descent.
