MANUAL OF PHYSICAL GEOGRAPHY (CLASSIC REPRINT)

To read **Manual of Physical Geography (Classic Reprint)** eBook, remember to refer to the link under and download the document or get access to additional information that are in conjunction with MANUAL OF PHYSICAL GEOGRAPHY (CLASSIC REPRINT) ebook.

Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from Manual of Physical Geography The exercises in this Manual have, for the most part, grown out of the author s class-room experiences. There is presented a variety of exercises, some of them advanced in character, that will cover the topics capable of laboratory illustration usually presented in a course in physical geography. For such classes as cannot use the entire Manual, the author suggests a selected list of exercises which are starred. Most of the exercises can be used in a different order from that given by omitting the references to other exercises. Some of the exercises and their order of presentation may require explanation. Considerable attention is given to elementary principles of mathematical geography. Many students of this phase of the science seem to have a vocabulary rather than an understanding of it. For example, rather few students know precisely why it is colder in winter than in summer, or why the seasons change. The author would urge thorough drill in these elementary principles and in the elementary facts of insolation. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy. In rare cases, an imperfection in the original, such as a blemish or missing page, may be replicated in our edition. We do, however, repair the vast majority of imperfections successfully; any imperfections that remain are intentionally left to preserve the state of such historical works.
