Caffeine Nights Publishing. Paperback. Book Condition: new. BRAND NEW, Our Father, Who Art Out There.Somewhere, A J Taft, What would you do if your own father refused to meet you? Growing up in Accrington with only an agoraphobic mother and Bert next door for company, Lily Appleyard spent her childhood hoping that one day her absent father would show up and whisk her off to a better life. He never did. Now nineteen and at college in Leeds, she stills harbours a fantasy he'll show up one day. Maybe he's busy saving the whale in the Antarctic, or searching for a cure for cancer in the Brazilian Rainforest. Her best friend Jo has much lower expectations of men. That's because her father waited until she was fourteen before leaving with his teenage, pregnant girlfriend. When Lily's mother dies and Lily finds her father alive and well but with no intention of ever meeting her, she has a decision to make. Should she forget about him? Or does she have a right to know her own father? Doesn't he owe her at least one meeting? Jo's had enough of talking about a revolution. She thinks it's time for action. Fuelled by vodka and a burning need for revenge, Lily realises she's got nothing left to lose.
