Black Eagle Publishing. Paperback. Book Condition: New. Paperback. 276 pages. Dimensions: 9.0in. x 6.0in. x 0.7in. The Bible-Based Guide to Beating Cancer. Riveting! Shocking! Eye Opening! A roadmap to successfully treating cancer! As featured on the cover of Publishers Weekly this beautifully written, inspirational and enlightening memoir may be the ultimate victory-over-cancer story. The authors journey from advanced-stage cancer, to near death, to complete healing is destined to become a faith-based BEST SELLER. In the prime of life--as a wife, mother and businesswoman--Paula heard the dreaded words: Its cancer. Doctors gave her 3 to 6 months to live. Her husband, a former airline pilot instructor who had become the senior pastor of a growing church, became Paulas full-time cancer researcher. The two began discovering everything they could about her fatal disease. They met with doctors and oncologists, talked with cancer patients and their families--tirelessly researching every conventional and alternative cancer treatment available. Mostly they prayed. Ultimately, they felt God revealed the BODY-SOUL-SPIRIT Approach--which deals with the whole person--treating root causes of disease, not just symptoms. It was this approach that saved Paulas life. Twenty months from initial diagnosis her advanced-stage cancer was gone; without chemotherapy--without radiation--and without drugs. Easy to read--the authors express medical concepts and terminology in words and ideas the layperson can easily understand. You wont find this information discussed in mainstream media, nor talked about in your doctors office. Prepare to laugh, cry, hold your breath and shout for joy as you accompany this husband and wife on their incredible journey of faith--where personal struggles collide with biblical insight. Learn how Paula defied medical logic, reversed terminal cancer PERMANENTLY and got her life back. This item ships from multiple locations. Your book may arrive from Roseburg,OR, La Vergne,TN. Paperback.
