Drawing from interviews at innovative organizations in eighteen nations and at Fortune 500 boardrooms, the authors reveal how men and women alike are recognizing significant value in traits commonly associated with women, such as nurturing, cooperation, communication, and sharing. The Athena Doctrine shows why femininity is the operating system of 21st century prosperity. Advocates a new way to solve today s toughest problems in business, education, government, and more Based on a landmark survey and results from Young Rubicam s respected Brand Asset Valuator s global survey, as well as on-the-ground interviews in 18 countries From acclaimed social theorist, consumer expert, and bestselling author, John Gerzema, and award-winning author, Michael D Antonio Brought to life through real world examples and backed by rigorous data, The Athena Doctrine shows how feminine traits are ascending and bringing success to people and organizations around the world.
