

Visit Sunny Chernobyl: And Other Adventures in the World's Most Polluted Places

By Blackwell, Andrew

Rodale Books, 2012. Book Condition: New. Brand New, Unread Copy in Perfect Condition. A+ Customer Service! Summary: "Andrew Blackwell is a wonderful tour guide to the least wonderful places on earth. His book is a riveting toxic adventure. But more than just entertaining, the book will teach you a lot about the environment and the future of our increasingly polluted world." -- A.J. Jacobs, New York Times bestselling author of The Year of Living Biblically "With a touch of wry wit and a reporter's keen eye, Andrew Blackwell plays tourist in the centers of environmental destruction and finds sardonic entertainment alongside tragedy. His meticulous observations will make you laugh and weep, and you will get an important education along the way." David K. Shipler, winner of the Pulitzer Prize and author of Rights at Risk: The Limits of Liberty in Modern America "I'm a contrarian traveler. I don't obey any airport signs. I love the off season. And, when someone says to avoid a certain place, and almost every time the U.S. State Department issues a travel warning, that destination immediately becomes attractive to me. Visit Sunny Chernobyl is my new favorite guidebook to some places I admit to have..."
