Cabin In The Woods is a collection of true-life adventures with spiritual insights for young people. It focuses around the time my parents moved our family to a rural, Connecticut town called Cheshire. We took up residence in an old, rustic cabin sitting deep in the woods. There was no running water, no bathroom, no heat and no electricity, only a huge stone fireplace for cooking. But, it was there during that first summer that my parents began to build their dream house. For me, it was the adventure of a lifetime, and the things I learned about life and God were immeasurable. From living in a pine bark cabin to building a house in the woods; from cornering wild woodchucks to getting squirted by skunks; from raising dogs to chasing weasels. Id like to share these early, cabin adventures with young people of all ages to enjoy. Ed Kenerson attended Gordon College (B. A. Psychology) and Gordon Conwell Seminary (Masters of Religious Education) and has over 10 years experience in Christian Education and Youth Ministry. At present, he manages his own training and communications business called Steps To Success, delivering multi-media presentations to businesses in areas of career management, customer service, and time management. In addition, he reaches out to teenagers in high schools through Career Coach, USA, a strategic ministry designed to teach young people the principles of both personal and professional success. Ed is married to Kathy with two children and eight grandchildren. This item ships from multiple locations. Your book may arrive from Roseburg,OR, La Vergne,TN. Hardcover.
