Palgrave Macmillan. Paperback. Book Condition: new. BRAND NEW, Free Market Revolution: How Ayn Rand's Ideas Can End Big Government, Yaron Brook, Don Watkins, Already a National Bestseller, in Free Market Revolution, the keepers of Ayn Rand's legacy argue that the answer to our current economic woes lies not in "trickle-down government" but in Rand's inspiring philosophy of capitalism and self-interest - a philosophy that more and more people are turning to for answers. Here, Brook and Watkins explain how her ideas can solve a host of political and economic ills, including the debt crisis, looming inflation, anti-business regulation, and the swelling entitlement state. And most important, they show how Rand's principles allow defenders of the free market to seize the moral high ground in the fight to limit government. This is a fresh and urgent look at the ideas of one of the most controversial figures in modern history - ideas that may prove the only hope for the future.
