iUniverse, United States, 2013. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.As the youngest son of a tenant farmer in England s Puritan heartland, twenty-year-old Jonathan Smythe foresees himself trapped forever in a life of servitude to his older brother. Anxious to temporarily escape his worries, Jonathan heads on a secret poaching trip with a friend that quickly turns disastrous when the men are captured by Lord Kingley s thugs. After his friend is mercilessly killed, Jonathan vows revenge and later bludgeons the thugs leader to death. With a murder decree hanging over his head, Jonathan has no choice but to flee England. Following his father s plan, Jonathan travels to Barbados and begins a life of indentured servitude on his uncle s tobacco plantation. Jonathan arrives committed to five years of hard work that begins at sunrise and is motivated by the overseer s whip. Driven by dreams of owning fertile land without slaves, Jonathan fulfills his duty and embarks on a dangerous journey to the English colonies. But little does he know that his pilgrimage to a new life will be more demanding than he ever imagined, involving desperate battles and massacres with Native Americans after he finally reaches the Bay Colony. When Jonathan befriends Running Wolf, a Mohegan ally, he may finally find passage to his true passions and self. In this compelling tale, a young Puritan man must face raw challenges that test his faith and life in a new world as he searches for his destiny.
