

The Railway Conquest of the World

By Frederick A. Talbot, Christian Wolmar

Amberley Publishing. Paperback. Book Condition: new. BRAND NEW, The Railway Conquest of the World, Frederick A. Talbot, Christian Wolmar, There is an unfathomable fascination with the romance connected to the construction of great railways, yet little is known of the beginning and the growth of the great railways of the world, of the heavy tax that their construction imposed on the ingenuity, skill and resources of their builders. Speeding swiftly along a railway with a road-bed as smooth as an asphalt pavement conveys no impression of the perils and dangers faced, or of the infinite labour extended in the making of that steel line. The Railway Conquest of the World tells in a popular manner this fascinating story. It considers the most representative, largest and most interesting enterprises between the two poles. First published in 1913, Frederick Talbot comprehensively writes of some of the most famous railways in the world in this engaging account. With a thought to the creators of the railways themselves, he considers the railway surveyors' adventurous life and the romance of construction itself before diving in to some of the greatest feats of technological advance: from the railway invasion of Canada to the Holy Railway of...
