

A Newbies Guide to Nexus 7

By Minute Help Guides

Createspace, United States, 2012. Paperback. Book Condition: New. 280 x 222 mm. Language: English . Brand New Book ***** Print on Demand *****.The Nexus 7 is a revolutionary new tablet computer from Google, in partnership with hardware specialists from Asus. Right now there have only been two highly successful tablet computers - Apple's iPad and Amazon's Kindle Fire. The iPad is the current king of the hill, outselling all other tablets added together, but its larger 10-inch screen makes it more of a challenge to hold in one hand or put in your pocket. The Kindle Fire is compact, but it's largely meant as a tool to access and store media that you purchase from Amazon - your e-books, videos, and MP3s. In this book we will show you how to make the most of Google's new tablet--all the tricks, tips, and hacks are here.
