Municipalities at Work: The Municipal Policy of Six Great Towns and Its Influence on Their Social Welfare (Classic Reprint)

By Frederick Dolman

Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from Municipalities at Work: The Municipal Policy of Six Great Towns and Its Influence on Their Social Welfare Mr Frederick Dolman has rendered excellent service by bringing together, in this concise form, the various steps which indicate the growth of that municipal spirit which, happily, is spreading throughout the United Kingdom. Of all those who read this book it is probably the Londoner who will most be stimulated by it, for here he will read that the policy which in London is always being met by the cry of non possumus, is, in many provincial towns, an accomplished fact. Cities with populations far less than that of a moiety of London have municipalised their markets, gas, water, tramways, electric light, and art galleries, and, so doing - in addition to reducing the cost to the community - have secured a municipal fund, without an increase in rates. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at This book is a reproduction of an important historical work. Forgotten Books...
