

## Free Range Faith

By Betsy Nelson

Createspace, United States, 2014. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Sometimes you have to leave everything you know in order to find everything you need. Join me in a discovery of the authentic faith of Jesus, without the dogma of Christianity. This book is grouped into themes, but you don't have to start at the beginning and read all the way to the end. Everything was written from late 2012 to early 2014, and in no particular order. Some posts were written while I was in the beginning of the deacon discernment program, while some were written as much as a year after I left church. It is as if I was assembling a jigsaw puzzle without knowing I was doing so. I have done my best to make these pieces fit together as well as possible, even though they were not written with a specific theme in mind at the time. So what is the theme? In part, this book is about what it is like to follow Jesus without following Christianity. I seek to separate the man from the machine. His simple message that we...

### Reviews

*This publication is amazing. It is definitely basic but shocks in the fifty percent of your publication. You won't feel monotony at anytime of your own time (that's what catalogues are for concerning if you question me).*

-- Prof. Kirk Cruickshank DDS

*This kind of book is every little thing and taught me to looking ahead of time and a lot more. I am quite late in start reading this one, but better than never. I found out this book from my dad and i encouraged this pdf to find out.*

-- Justus Hettinger
